Guardian's certification process and program requirements have been designed to assess our customer's ability to consistently fabricate quality coated products. This certification is valid till **March 2, 2021** and it confirms the processing capability of **Bahwan Metal & Glass Engineering LLC**. This letter may be submitted as required by architectural specifications as evidence of processor certification for **SunGuard®** and **ClimaGuard®** Products in accordance with Guardian's requirements.

Congratulations on being named as a
Guardian Select® SunGuard® Fabricator!

Best Regards,

Vignesh Soman
